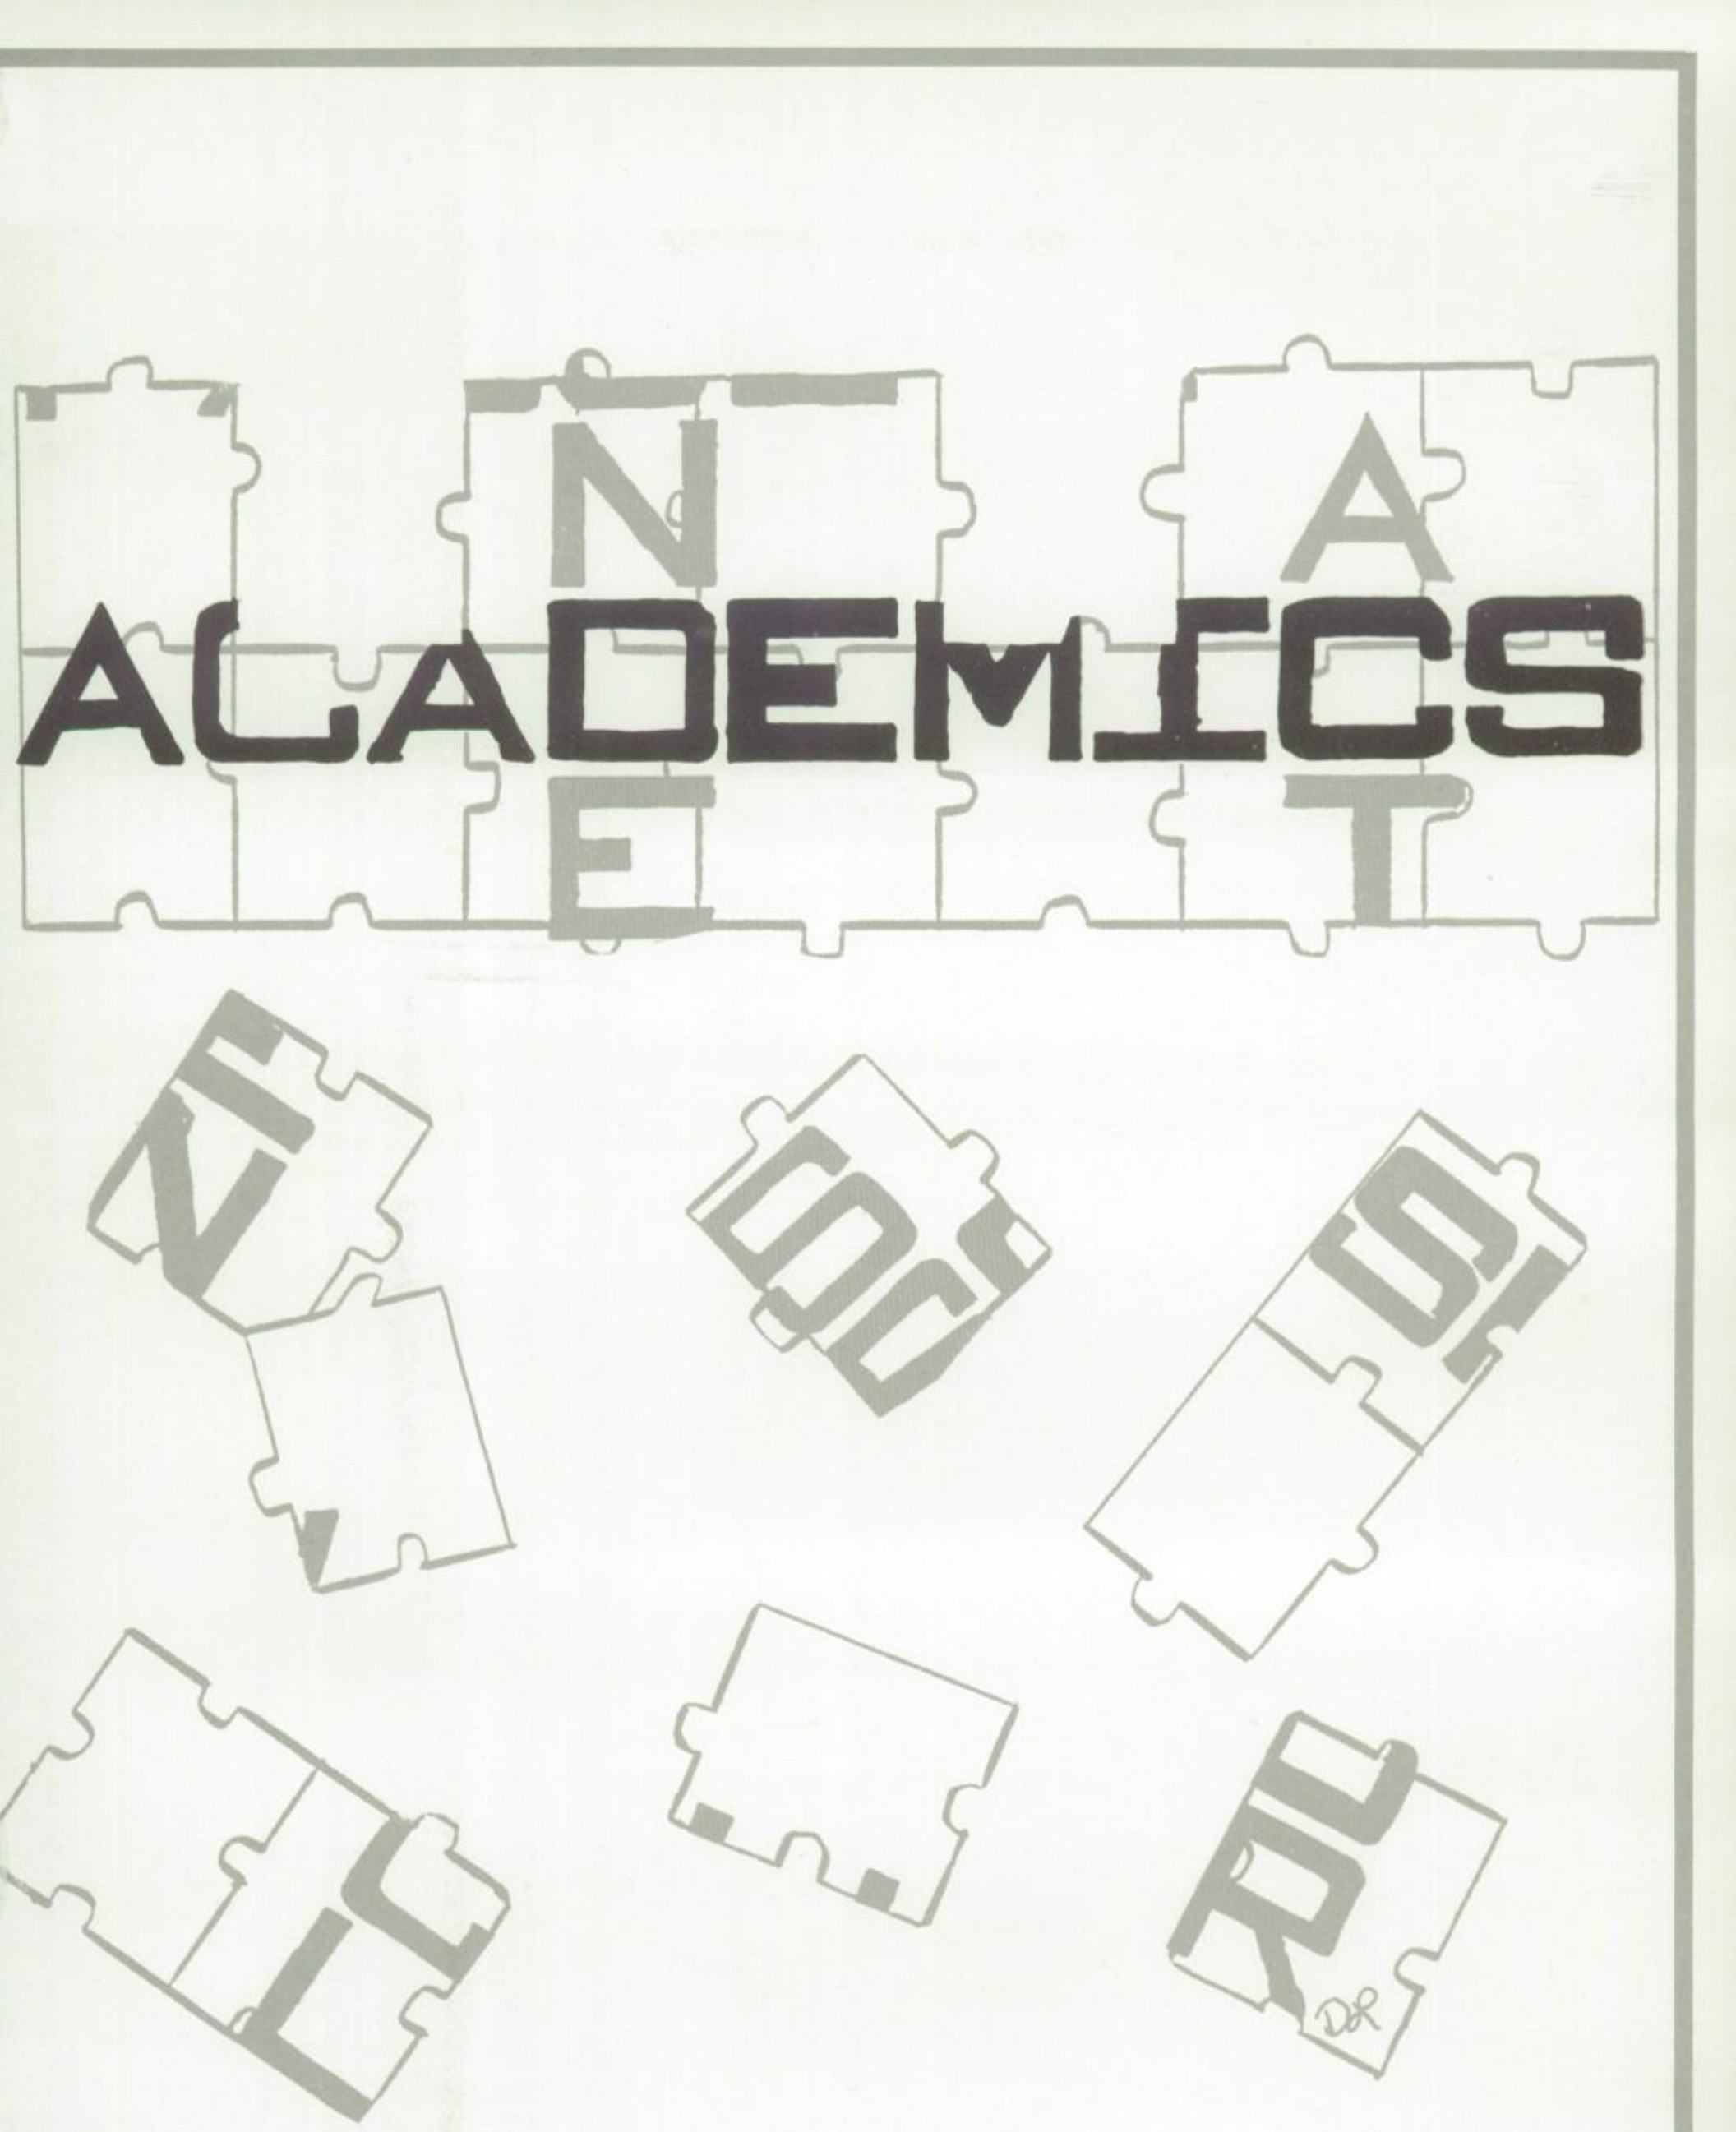
DEDICATION

We, the class of 1985, dedicate this year's Skippers' Log to our class advisors Miss Giroux and Ms. Jones. We were very fortunate to have been one of the few classes that gained two enthusiastic teachers from the start of our freshman year. You have given us the strength, support, and encouragement needed to make our years at NKHS worth remembering. With your guidance and devotion we have become the best; the best that we could possibly be. We feel that the success of our junior prom and our prize winning float in the year 1984 enabled us to realize that we have the ability to make anything possible. With your special love and thoughtfulness you have made our years at NKHS "Almost Paradise".

ACADEMICS



SYMPHONY OF EDUCATION

The N.K.H.S. Symphonic Band is known for its consistant level of high achievement year after year. The group has always pursued high goals, proving itself time and time again. The band consists of close to 50 musicians and is dedicated to practice and perfection.

Under the close direction of Mr. Joe Pelosi, the band makes it a tradition to receive the highest grades possible on the hardest music. At the R.I. State Band Festival recently, the symphonic band was selected among a handful of Eastern bands to play at U.R.I.'s invitational band festival. The band placed second in this competition, in which groups from Massachusetts, Connecticut, and New York participated.

The band plays a diverse set of music, ranging from Armenian dances, Spanish Fiestas, and Sousa marches. Their performance is one that should not be missed.

Members: D. Angell, J. Archer, R. Argraves, L. Beaulieu, S. Bell, B. Bowen, T. Bryan, D. Clifton, N. Coble, K. Coon, J. Crompton, J. Counnas, L. Delehanty, K. Dresser, B. Dube, E. Dunne, P. Dyer, P. Todd, N. Trivelli, D. White, T. Wrigley.

This year, the N.K.H.S. Concert Band continued to increase their ability to play classical to modern types of music. The band is dedicated to hard work which shows in their performances. This responsibility is always taken on by the entire band, and is never placed on individuals alone. In fact, the band proves that with spirit and comaraderie the end product is a successful display of each student's talent.

Led by Mr. Pelosi, the students reach for high goals in hopes of developing a professional sounding band. This year, they hope to succeed in the All State and Solo Ensemble music competitions which take place each year. In these events, they have had outstanding results with their musicians in the past. In all, the band is dedicated to working hard so that they may achieve the goals they have set for the year and for their futures.

SOUNDS OF PAST AND PRESENT

Members: J. Archer, R. Argraves, L. Beaulieu, C. Carroll, D. Clifton, J. Counnas, B. Dube, P. Fealey, T. Garrepy, J. Gracik, L. Langham, J. Litterick, T. Moyer, J. Parkinson, T. Ramsey, R. Rexter, D. Robison, D. Scheff, J. Scheff, P. Spencer, J. Whaley.

Hey, Dan, wake him up.

Among the favorite musical groups in the high school is the Jazz Ensemble. From the "walking bass" to the "swinging saxes" to the "screaming brass", the sounds of the old big bands and the contemporaries can be heard from the Jazz Ensemble.

The Band's efforts are evaluated yearly when they participate in the Berklee Jazz Festival. At the 1984 Festival, the Jazz ensemble placed among the top three in the Eastern division. Special recognition was given to Chris Carroll, who received a $500.00 scholarship, and trumpet player Pat Fealey, who received a $1000.00 scholarship. The band also participated in a new jazz festival in New Hampshire, where in their winning tradition, took first place out of dozens of competitors.

The Jazz Ensemble will surely continue its saga of excellence in the years to come. They would like to extend their great thanks to their leader, Joe Pelose, who gives his time, patience, love, and character to all his groups here at N.K.H.S.

Dig those jazzy percussionists.

MOVING THE PIECES

Every which way but loose

One, two, three, four, . . .

The N.K.H.S. Marching Band this year continues to uphold its title as one of the best marching bands in the state. Under the instruction of Mr. Pelosi, the band had an eventful year which it hopes to maintain in coming years.

The band represented R.I. this year in Springfield, Mass., and also participated in the annual National Newport Police Parade, in which they placed third in the 1983 marching competition. Last spring, the 100 band members flew to Florida where they toured Orlando and played at Sea World. The band continues to build its fine reputation and anticipates future invitations.

The band is looking forward to many more successful seasons, undoubtedly maintaining its national reputation and incredible looks and sound.

The NKHS Orchestra is a class for students who play stringed, wind, and percussion instruments. Each student has an important function in the ensemble yet must join to get a group working together. Conducted by Patricia Peterson, the orchestra works on performance skills, techniques, and learning composers and some music theory. The NKHS orchestra provides students an opportunity to perform in, and hear an orchestra. It is one of only two high school orchestras in Rhode Island. In December, some students are selected for the All-State Orchestra after a competitive audition. Others prepare solos for the RIMEA Solo/Ensemble festival at RIC in the spring. This year the orchestra will perform in three concerts including an exchange concert with Tollgate High School on March first. It's been a busy year for Orchestra. Congratulations on your success!

"I'D LIKE TO SING A SONG FOR YOU."

The consistent high level of achievements displayed by the concert choir shows that education is more than the three R's (reading, writing, and arithmetic). Directed by Mr. Higby, the concert choir consists of students who wish to develop their singing talents and display them in front of an audience.

This year, the group has performed at many school related concerts and has also participated in state activities. The concert choir is one of the successful pieces of the music department which makes it outstanding.

Mr. John Higby lead the 1985 chorus through another year of successful performances. Chorus is a class that meets opposite physical education and gives students the opportunity to use their voices in developing their natural talent. The chorus provides entertainment for the high school and for public performances. This year, the chorus was involved in concerts that took place at Christmas, Winter, and Spring. This fine group of individuals work together to make the North Kingstown High School's Chorus the best it can be.

The N.K.H.S. National Honor Society is composed of students whose academic achievements are consistent with high standards established by the nationwide National Honor Society.

Presently, the society is composed of those students who have met the criteria as adopted by the staff members in concert with the principal and the society's advisors. This year, the society was advised by Ms. Terry Romano and Mr. Robert Sullivan, and became a branch of the student council.

Applicants for membership are reviewed by the Faculty Honors Committee for final approval. The current members are for the 1984-85 school year and are a fine representative of a few of our school's end pieces.

MAKING IT HAPPEN

This year, the Student Council is continuing its outstanding success. Mr. Sullivan and Ms. Romano, student council advisors, have contributed their superb guidance and assistance to the council.

The Student Council began the year by sponsoring the first dance. Everyone had a great time and the money raised was used to fund some of the council's activities including the holiday pep rally for winter sports, which was also a great success.

The Student Council is cooperate members with the N.K. Booster's Club in managing the school store. They have developed more of a group identity this year by requiring each member to carry an I.D. card.

The council hopes to have more public relations with the community and thanks all members of the community who have helped them in their success this year.

Want to see my project?

The annual N.K.H.S. Science Fair was held this year on January 29th and was successfully organized by Mr. Ferrance and Mr. Henry. The fair allows students to display projects that demonstrate scientific methods, which relate to their particular course study. After a long day of judging, the fair was opened to the public for an awards ceremony in the evening where the results of the judging were announced. The grand prize winner was Keleigh Wilkie with her project titled "Does Pet Therapy Help The Elderly?" Her project as well as other winners competed in the state science fair in March. The eleven did a fine job in representing our school, and received special recognition for their effort. This is the fourth year of the high school's official science fair, which has shown that with each year the projects and the competition has greatly improved and has received much recognition.

The Art Department, headed by Mrs. Foley, teaches basic drawing skills in order to see and to reconstruct what is seen into images. Students learn and enjoy the process of drawing while understanding art's role in our culture. Participating in local exhibits, the Scholastic Art Awards Competition, and organization of Fine Arts day are a few of the events that occur during the school year.

Public Speaking is a class beneficial to students who need to improve their speech and self-confidence, as well as listening to other speakers. It is an interesting class in the way that the students are able to express their opinions, ideas, concerns and interests and get to know the other members of the class. The students in the class are also given the chance to compete in the Voice of Democracy Scholarship Program, which offers a fourteen thousand dollar award to the student who speaks best on his or her patriotism. On the topic of "My Pledge to America", Gregg Allen represented NKHS at the state level. When students leave this class, which is taught by Ms. Patricia Arrighi, they are better equipped to speak publicly and realize the use of speech in everyday conversation.

Ms. Arrighi gives constructive criticism.

When you've seen one psychology class, you've seen them all. This is not true of Mr. Malcolm's psychology classes, in which originality is part of the curriculum.

Psychology is one of the more popular half-year classes offered to juniors and seniors. The class helps students become more aware of themselves by answering the question "Why do we behave as we do?". A unique characteristic of psychology is the profound and sincere discussion that occurs during class time. These conversations are open and frank, better enabling the students to learn about the human mind.

Another unique aspect of the class is the fact that the students must complete ten hours of volunteer service to the community, through the N.K. Senior Citizens Association, the N.K. Recreation Department, the Special Olympics, and other organizations. During this time, the students provide companionship for the elderly and aid for various needy people. When the class ends and the projects are completed, the students are more aware of themselves, the people around them, and as to why we behave as we do.

TOMORROW'S MOVERS

Advanced Placement courses at North Kingstown High School are offered to those students whose abilities exceed those of an average student. They are designed to provide these students with work that matches their abilities and cultivates them. These courses include Art, English, European History, U.S. History, and Calculus, and in each class one finds a unity that is different from other courses offered at the high school. The students find the work challenging, but at the same time they enjoy the education they get out of it as well as the chance to increase their knowledge in that particular area.

FEARLESS STUDENTS

NJROTC is one of the more original courses that is open to students of North Kingstown High School. It introduces students to the various aspects of the military while preparing them for a possible career in any of the military branches.

Under the instruction of Commander Kershaw, Chief Meyer and the present student leader, Tim Duffy, the students are informed in the areas of Maritime laws, leadership, responsibility and especially pride. The enlisted students take part in morning exercises in the Boys' gym, while a few of their comrades raise the flag outside during the National Anthem. The students in the NJROTC are involved regularly in parades and sporting events, proudly displaying their abilities and devotion to their uniform.

COUNTING THE PIECES

The business section of N.K.H.S. curriculum provides students with a chance to build basic skills that are required in order to have a successful career in business. This is achieved through courses such as accounting, stenography, consumer education, and office practices. Students in the program are also required to complete credits in both English and History. Certainly what makes this area unique is that it gives students who wish to further their education in this field a headstart in the fundamentals of establishing a career in business.

The Industrial Arts Department deals with those projects which include working with wood and metal, drafting, and machine shop. The department is headed by Mr. Comoli, who aides his students in improving their skills. In Industrial Arts, each student gets individual attention. This helps the students solve problems related to the real world. The students have made cabinets for the school store, and have also done numerous small school projects. N.K.H.S. is very proud of its I.A. department, because of their generous contributions to the school.

Agricultural Business is a course designed to teach outdoor education, but it is not specifically involved with one area.

Under the instruction of Mr. Sandham, the students work with outdoor equipment that may open doors for them in such areas as turf farms, construction, or the Department of Natural Resources. They also learn to maintain and repair this equipment, picking up skills in welding and oxyacetylene. They are involved with projects around the school environment as well. Each year they prepare and maintain the baseball diamonds for the season, and they also construct simple farm equipment. This year their project is building a trailer, Along with various school projects, the students in Agri Business work on home projects as well. Students take on goat raising, poultry farming, dairy raising, and other related areas. Annually the students compete for awards of money for scholarships and for a 14,000 dollar trip to Washington for 5 days.

West Bay is the location of our vocational program comprised of juniors and seniors from N.K.H.S. and other schools. The students alternate every three weeks between the campus and Coventry where West Bay is centered. The unique quality of this program is that the students are not only able to learn about their jobs but also perform the tasks involved in each job as well. Such trades available are: automotive mechanics, auto body, cabinet-making, carpentry, electronics, environmental resources, food services, machine technology, and welding.

The trip to Washington is financed by various fund raisers, the most profitable being dances. The group spent a week at our nation's capital for pleasure as well as for education, and returned with a close up view of our government.

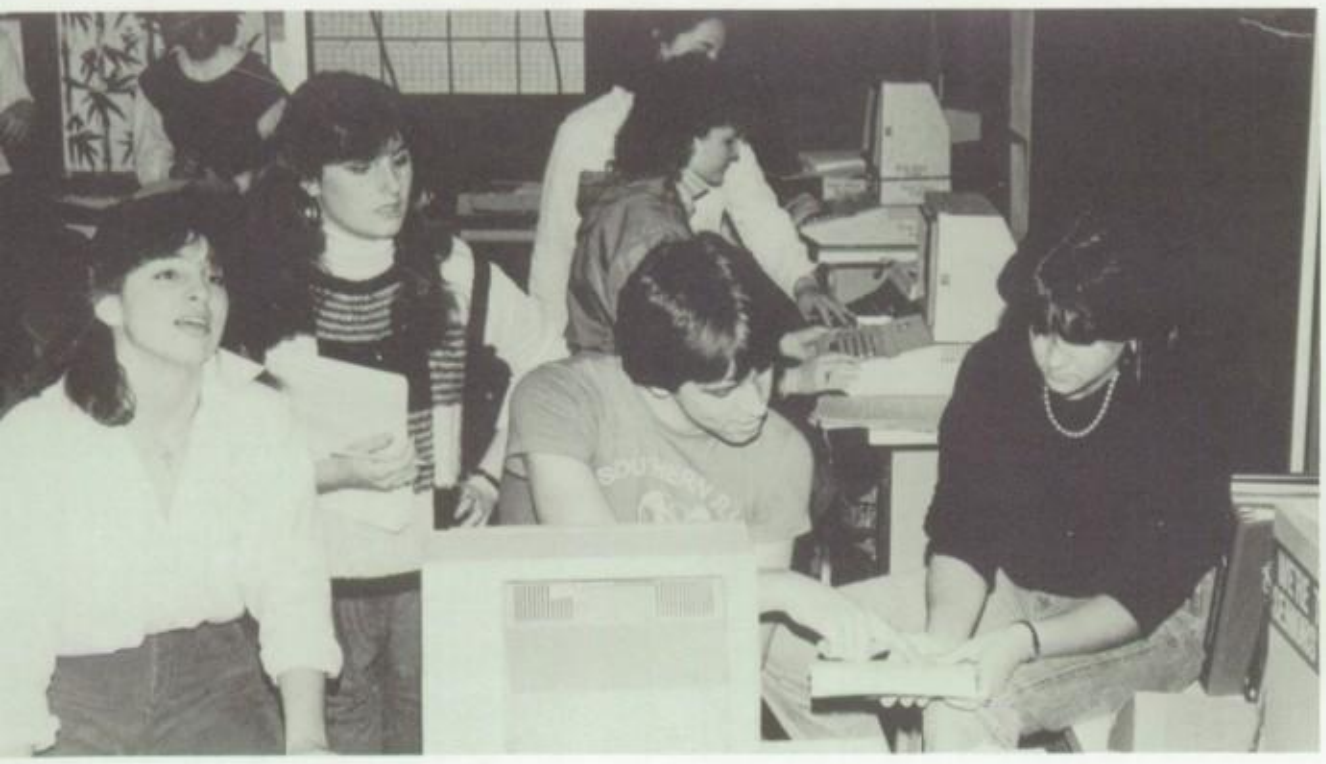
WORDS IN THE SKIPPER'S LOG

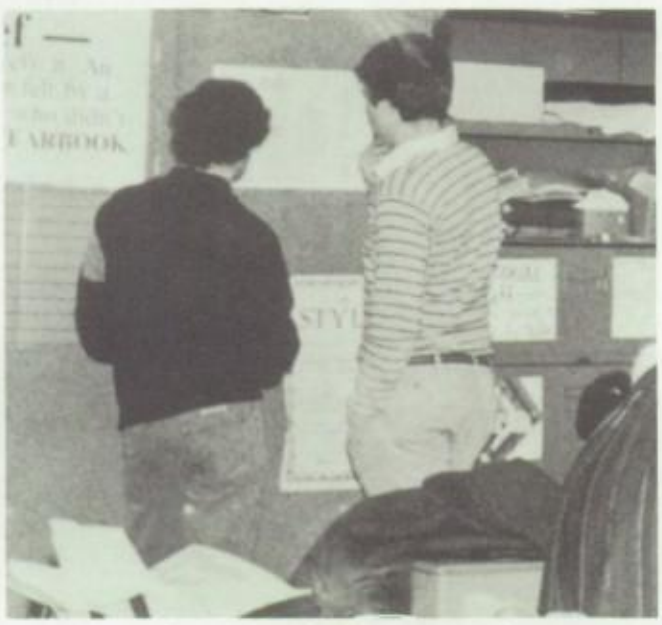


Another day in the deadline zone.

This is good.

Have you met your deadline?

Hello!



I can't read this, can you?

Each year the yearbook class spends much time, determination and sweat into the production of our Skipper's Log. The class develops these students into a fine working machine that comes together to create a yearbook that will be remembered by all. Skillfully led by Mr. Richard Dunne, the yearbook provides these students with an outlet for their creativity and abilities.

Various fund raising activities, like a carnation sale, senior message sale, and an annual advertising campaign, are required to produce the Skipper's Log. In order to promote the yearbook, the students hold a slideshow at the beginning of the year in an attempt to convince the students to buy our fine yearbook.

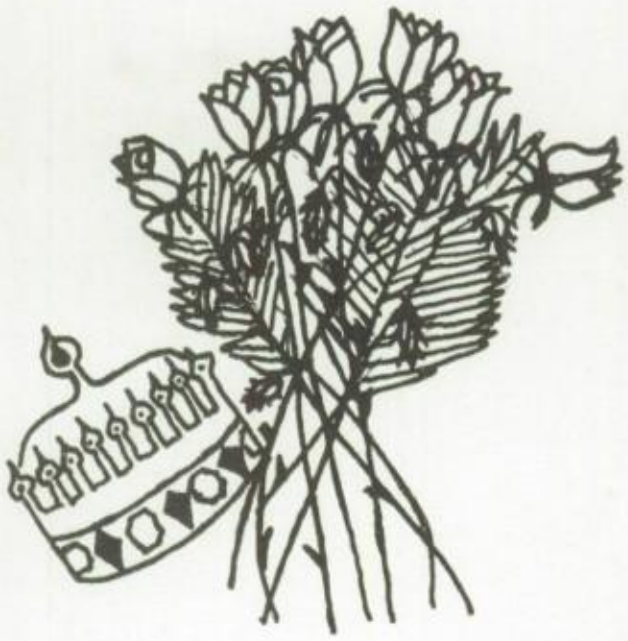
HOMECOMING:

1983 Crowned Queen Regina Frisby



Her Highness, Meredith Morin

Left to Right: Timothy Corcoran, Michael Zito, Kevin Quinn, Allan (Chip) Lindgren, Kurt Feifer, Cameron Moore.

A ROYAL SUCCESS

His Majesty, Timothy Corcoran

This year's homecoming was special to the students because it was the first time in North Kingstown High School history that a homecoming king was crowned as well as a queen. The candidates for queen were the following: Melissa Connolly, Cary Ferraro, Michelle Fredette, Judith McAndrews, Meredith Morin, Bonnie Stuart. The candidates for king were the following: Timothy Corcoran, Kurt Feifer, Allan (Chip) Lindgren, Cameron Moore, Kevin Quinn, Michael Zito.

The homecoming celebration started with a rowdy and cheerful "All Fall Pep Rally" in the boys' gym on Friday before the game. The entire student body expressed much enthusiasm by supporting the N.K. Skippers in their battle against the Woonsocket Villanovans. The night was awaited with much spirit and excitement, which began with a motorcade at the Wickford town dock. The floats were judged by Town Councilmen George Graham and Fran Dwyer, and school committee member Posie Dollar. The Junior class was awarded the first place prize of on hundred dollars and following close behind was the Sophomore class in second place. The parade then continued through Wickford towards the main attraction at the football field.

The game began with the first touchdown scored by N.K. There was a sense of excitement in the crowd for the Skippers were leading Woonsocket by halftime. The homecoming celebration finally began with the crowning of the king and queen. With Tricia Driscoll as master of ceremonies, the candidates walked onto the field under the arch of swords provided by the NJROTC. Timothy Corcoran and Meredith Moron were crowned as the 1984 homecoming king and queen. The queen was crowned by Mr. Paul Rennick, the principal of N.K.H.S. and presented with a bouquet by her predecessor, Regina Frisby. The king was crowned by Mrs. Patricia Lehnertz, assistant principal of the school. The halftime celebration came to a close with the Marching Band and Flag Squad putting on a grand performance. Although the Skippers were defeated, they showed much sportsmanship and good effort which made N.K.H.S. very proud.

JUNIORS SPEND AN

The class of 1985 with the guidance of Ms. Giroux and Ms. Jones spent long hours after school trying to create an atmosphere for a night to remember. The Junior Class successfully transformed the boys' gym into a tropical paradise for the long awaited night of May 26. The food was arranged in buffet style, catered by Block Stone Valley. The Juniors danced the night away with music played by Ullyses, from R.I. 104, and enjoyed the special attraction of videos and special effects. Thanks to the Chamber of Commerce the night ended with a casual post prom breakfast at Custy's Restaurant.

"THERE'S NO BUSINESS" . . .

Nineteen-eightyfive proved to be an exciting year for the Drama Club. This year, under the direction of Mrs. Casker, the club planned two productions; a musical South Pacific performed at the high school and also a drama production which will be performed for competition.

Auditions, which required reading and singing, were held in order to select the cast for the musical. Selecting the cast was difficult and Mrs. Casker regrets that she could not cast each student who auditioned. However, Mrs. Casker encouraged the students who were not chosen, to join one of the committees formed to aid in the backstage production.

The musical South Pacific was a tremendous success. The actors and actresses were excellent and the production was almost flawless.

The continuation of the Drama Club in future years will enable students to become more familiar with the theatrical field and may help influence the students in career choices.

Directed by Mrs. Maack, the students participating in the youth council on smoking visit local grade schools to talk with 5th graders about the hazards of smoking. These visits to the schools are informative because they help the kids make wise decisions concerning their health.

Each year the smoking council promotes the "Great American Smokeout" which is sponsored by the American Cancer Society. Students at N.K.H.S. are encouraged to adopt a smoker and help him or her through a smokeless day.

The smoking council has been at the high school for the past 5 years and will continue to benefit the school and community.

The group goes into the classroom once a week for about six weeks. The 5th graders learn about alcohol in a fun yet very informative and educational way. The group has grown to about fifteen students in the past two years and promises to continue its success.

Bonjour!

What do you think you are doing?

The Foreign Language Club

The Foreign Language Club, which is under the direction of Mr. Maynard, began at North Kingstown High School six years ago. This club gives the students the opportunity to learn different aspects of foreign culture. Last year the club visited the United Nations Building in New York City. This year the club's trip will be in the spring; although the destination of the trip has not been determined.

The club members broaden their views of other countries by visiting different cultural restaurants around Rhode Island as well as preparing foreign dishes themselves. The activities provide the members with knowledge of foreign culinary techniques. A large part of the Foreign Language Clubs activities is an annual fundraiser and a dance to help finance their activities.

The Fine Arts Club advised by Mr. Annaldo, Mrs. Foley and Ms. Armstrong, has been in existence at North Kingstown for three years. The club gives the students an opportunity to spend time after school working on various art projects. This year, the club's annual holiday earring sale was a complete success in raising funds for field trips and art supplies. In the past year, the club has taken a trip to the Rhode Island School of Design and also a few members were selected to attend the Rhode Island Scholastic Art Awards Ceremony.

Fine Arts Day, also organized by the club, was a tremendous success. Food and entertainment were provided, in addition to the students' art work which were displayed in the art room.

Besides exhibiting their art work around campus, the members also have the opportunity to display their creations at the North Kingstown Public Library. The continuation of the Fine Arts Club in future years will enable students to have first hand experience in the art field.

The Varsity Club advised by Ms. Canleno and Mrs. Poirier, is active in many ways. The club unites all female athletes and their sports into one spirited team. They also promote spirit within the club and throughout the student body by encouraging students to support their school. The club holds numerous fundraisers to help finance various sports related activities. The club provided funds for Cary Ferraro, North Kingstown's All American Cheerleader, to go to the Aloha Bowl in Hawaii. Julie Leonard's trip to Florida was also backed by the club for she was picked to play field hockey in the Junior Olympics. Julie made our school specially proud because her team won the gold medal.

One of the major goals the club wishes to accomplish this year is to be able to buy a video camera and recorder. With this equipment, the club plans to film the girls in action which will hopefully enable them to obtain scholarships. Overall, the Varsity Club promotes leadership, responsibility and good sportsmanship among female athletes.

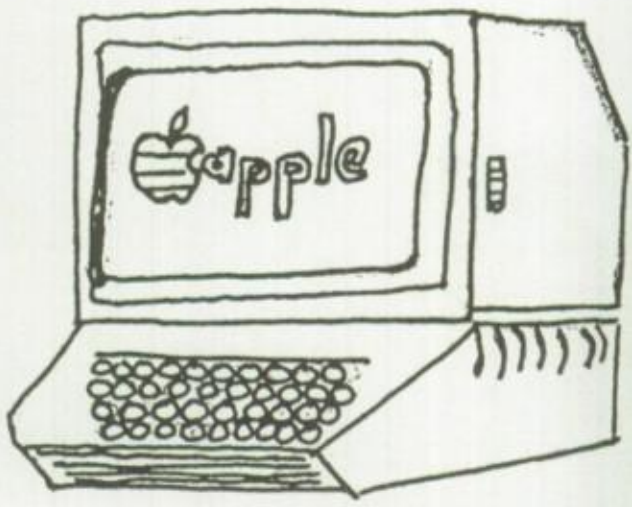
The American Computer Science League



The American Computer Science League, has been in existence at North Kingstown High School for five years, is under the direction of Mr. James B. Myette. This club gives students an opportunity to explore topics in computer science which are not usually covered in courses offered during the school year. To help improve their skills the league participates in competitions nationwide. This year the league has moved up to the senior division and came in third in New England. The American Computer Science League is a worthwhile club for it gives the student knowledge and experience in working with computers. This knowledge is helpful to students hoping to find a profession in the future since computer science is such a growing field.

Future Farmers of America (FFA), a group which has existed at North Kingstown for thirty years, is under the direction of Mr. Sandham and Mr. McElaney. FFA is an organization made up of students who are interested in vocational agriculture.

Each member is involved in a supervised occupational experience program which takes place during the member's own time either at home or at a local farm. The students also make a daily effort to keep up the campus landscaping which includes the maintenance of the baseball field in the spring for the playing season. The club also is actively involved within the community through a program called "Building Our American Communities." The members have a chance to demonstrate their agriculture skills at several summer fairs. The members develop a sense of leadership, community involvement, knowledge and experience of working in an agricultural field.

STUDENTS IN POLITICS

Rhode Island Model Legislature has existed at North Kingstown High School for the past 7 years. Selected students have the opportunity to act as senators and representatives in the general assembly. Mr. Malcom, a local politician and teacher at North Kingstown High School, advises the group on political activities.

This year the students have presented one bill which is being drafted for legislation. The title of this Bill is the Urban Homestead Act. The rehabilitation of government housing for the needy in the state of Rhode Island. The author of this bill is liberal senator, Gregg Allen.

The North Kingstown chapter of the Rhode Island Model Legislature which is currently composed of fifteen members is looking forward to successful sessions at the State House next year.

The Senior Executive Board, under the direction of Ms. Giroux and Ms. Jones, has thirteen members, all of whom were voted into their positions by their classmates. The Executive Board serves as the backbone of the class by supporting ideas and deciding upon issues presented by the Class of 1985. In the past year they have organized many activities. Among these activities were the Senior dance, the magazine sale, and many other plans such as the proms, class day, and graduation.

The Lable Counter

This year's annual carnation sale was another success. The sale began on February 4th and ended on the 8th. For one dollar each, the students were able to purchase a carnation for that special someone.

The carnations were delivered on Valentines Day, the day that love is in bloom, just as the carnations were. This annual fundraiser is run by the Yearbook staff to help with the production of the "SKIPPER'S LOG".

The Senior Outing Club, accompanied by Mr. Henry, learned to enjoy what nature had to offer them by planning various trips this year.

The Senior Outing Club is a group, of adventurous seniors which explores the outdoor and gives each senior an appreciation of nature, and a feeling of accomplishment.

The first trip planned was a bike ride to Point Judith to watch the sunrise. Following this, were two overnight hiking trips to New Hampshire. Mr. Henry led the seniors to Block Island for an overnight biking and camping trip. Ending their exciting year was the annual camping and canoeing trip along Wood River.

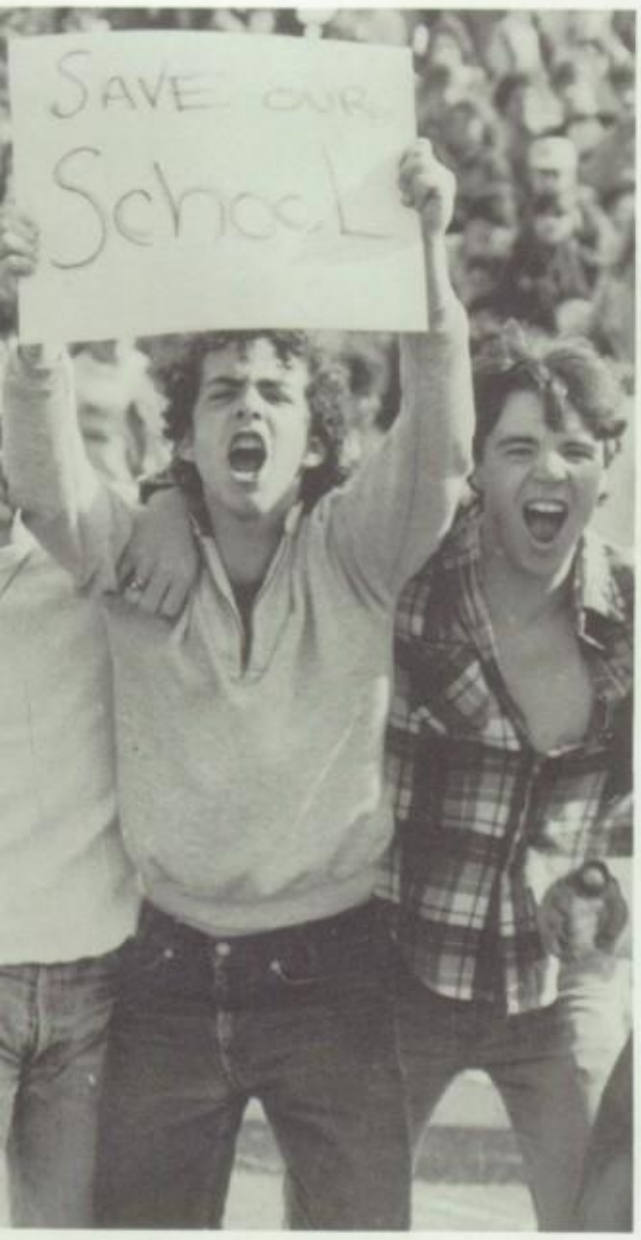
SAVE OUR SCHOOL!



Students protest the budget cut

Let's get psyched!

So Stacy, what cheer is next?

Mr. Sullivan, our public relations man

The North Kingstown High School budget cut controversy was one of the most important issues to influence the school. The effects of such a drastic cut were forcasted by both sides with the School Committee members saying that things such as sports and music would be cut. The North Kingstown Taxpayers claimed that the needed cuts would not come from extra-curricular funding but from "basket-weaving courses". It is clear that both sides did not want to hurt the students and their activities, and that both sides believe their respectable budget proposals were plausible.

The students, who were in favor of the school committee's budget proposal, reacted to the crisis with much concern for the school. The students held rallies at the football field and marches through Wickford with the theme of "Save Our School." Their efforts received much media coverage in hopes of affecting the outcome of the crisis.

After several townwide referendums, one million dollars was cut from the budget. The effects of this cut are now being felt during this school year and the controversy over the budget is still in existence.

What to wear is an important part of every student's life. Worn jeans and a comfortable shirt will always be in style, yet every year new fads arise. Since North Kingstown High School is so large, there are many different styles worn by the student body.

Casual clothes will always be popular on campus. The clothes are comfortable and affordable. The majority of the students stick to this style.

Another popular fad is the leather look. This look is made up of worn jeans a concert shirt, and a leather jacket. Along with being "in" this look is also "cool".

The newest fad to hit North Kingstown High School is the "non-conformist" look. In this category fits all the students who shop at second hand stores or wear out of the ordinary clothes. This specific look is basically decided by the person, for there is no uniform outfit which everyone wears.

BATTERS STAY SPIRITED

Coach Kathy Falvey and her assistant, Kathy Christopher, led a spirited group of athletes through a hard fought season, ending with a record of four wins and ten losses. Although the team was disappointed about their losses, they never gave up and managed to keep a positive attitude throughout the season.

The team had many talented players. Lisa Sykora, played in the outfield and held the record for runs batted in and homeruns. This enabled her to receive the Most Valuable Player Award. Laurie McCormick, a junior, had a good season offensively and defensively, at first base. Dulcey Braswell, pitcher, was also noted for having a good season. The Principal's Sportsmanship Award went to Kris Lemay for her excellent attitude on and off the field. Although the team lost five seniors, the outlook for next season is promising because of a very successful junior varsity program.

NETMEN ACE OPPONENTS

Under the supervision of Coach Frank Cain, the 1984 Boys' Tennis Team had a successful season and captured the Southern Division Championship Title. Their playing accomplishments as a team and as individuals were the source of spirit and determination which caused them to sustain their fine record.

The doubles team of Captain Rob Brown and Greg Chase preformed outstandingly. Rob received the Most Valuable Player Award while his partner, Greg, received the Principal Sportsmanship Award for his excellent attitude. Another doubles team that worked well together was Dennis Chelesky and Win Reed. Also a new addition to the team, Chip Lindgren, proved to be a key member of the team. With the combined efforts of these fine athletes, their fellow teammates and a dedicated coach, ensured the first place title. Since the team only lost three seniors, the 1985 season has a favorable outlook.

SPIKERS SERVE UP WINS

After spending a season rebuilding the volleyball team, Coach Joanne Fitts was pleased to have a successful season. The 1984 Volleyball Team placed fourth in the Southern Division and finished with a record of nine wins and five losses.

A verteran of the team, Jennifer Wu, received the Most Valuable Player Award for her excellent setting skills. Captains Eileen Clune and Joellen Biegner were offensive standouts on the team, as they scored many points throughout the season. In addition to her skill, Eileen received the Principal's Sportsmanship Award. Liz Shaw, a senior on the team, was noted by the coach for her setting. A new and valuable addition to the team was Julie Leonard because of her court awareness.

Although six seniors have graduated, the outlook for next year's team is excellent. The team will have both good returning players and strong skillful newcomers. Much of the positive outlook is the result of the successful junior varsity team which placed second in the state with a record of ten and three. The J.V. team was led by Captains Judy Gilmartin and Tricia Driscoll.

GOLFERS PUTT TO VICTORY

Under the guidance of Coach Norman Leveillee, the 1984 Golf Team had a second undefeated season and captured the Southwestern Division Championships which place them fifth statewide. Co-captain Cam Moore also had an undefeated season which made him the best player in the state. For his tremendous skill, Cam received the Most Valuable Player Award and also made All-State, All-Division and All-South County. Filling the number two spot on the All-South County team was Co-captain Richard Walsh who received the Principal's Sportsmanshipman Award. He had a very good season ending with a record of eight wins, one loss and one tie. Other players receiving awards were Mike Zito and Tim Brindamour. They were the number one and number two golfers, respectively, on the All-South County Second Team. Since the team did not lose any members, they hope to have an even better season in 1985.

TRACKMEN PLACE THIRD

The 1984 Boys' Track Team had a great season, ending with a 5-2 record. Under the direction of Head Coach, Paul Tetreault and his assistant coach, Don McCauley, the team ranked third in the Southern Division.

The team was honored by having twelve members receive All-South County Awards. In addition to making All-South County, Larry Delehanty also received the MVP Award for an undefeated season in the 100m and 200m sprints. Captain Pete Dion received the Principal Sportsmanship Award and was also a member of the All-South County Team. Mike Nehring successfully ran in two relay events and the 400m event. He was honored by making the All-Class "A" Second Team. Another member of the All-Class "A" Second Team was John Counnas who excelled in the triple jump event. Because of solid performances in key events, Coach Tetreault has a positive outlook for the 1985 season.

TRACKSTERS FINISH WELL

The 1984 Girls' Track team managed to win the Class A Championship Meet while also placing third in their division. The team was under the guidance of Coach Janice Tetreault and her assistant, Marianne Kerins, who were proud of the efforts made by many talented athletes.

Jen Hammond made All-Division in both the discus and javelin and also held the school record for the discus. For her fine contributions, Jen received the MVP Award. Nellie Dowling was undefeated in the 100m and 200m sprints and held the school record for these events. In addition to her talent, Nellie also had a good attitude and recieved the Principal's Sportsmanship Award. As well as being undefeated, Nellie held the school record in these events.

With the fine efforts of Jen Hammond in field events, Nellie Dowling in sprints, and Bonnie Stuart in middle distance, the outlook for next season is favorable.

HISTORY IS MADE

The 1984 Girls' Tennis Team had an exceptional season, ending with a record of 9 wins and 1 loss. Under the guidance of Coaches Jean Poirier and Normand Leveille, the team clinched the Class B Southern Division Title for the first time ever. The team had many talented players, most of whom were underclassmen.

Catherine Roche, a sophomore, played in the number 1 and number 2 singles spot and ended with a 6-2 record. Catherine received the Most Valuable Player Award for her excellent performances this season. Also sharing the number 1 and number 2 singles spot was freshman Kengy Gardiner, who had a superb personal record of 9 wins and 1 loss. Catherine and Kengy were honored by sharing the MVP Award on the All-South County Team. In addition, these two singles players along with doubles players, Liz Nason, Niffy Falconer, Amy MacIntyre and Jennifer Ferrante were selected to the All-Division team. The Principal's Sportsmanship Award was given to Co-Captain Kris Soderberg for her excellent attitude. The "Spark Plug Award" was given to Laura Chambers for her spirit.

The outlook for next season is outstanding because all the starters on the Varsity are returning. Next year, the team wants not only to win the Division Championship but possibly the State Championship as well!

The 1984 Boys' Soccer Team had an excellent season and made it to the first round of the playoffs. They ended the season with a 5-7-1 record and placed fourth in the Southern Division. Coach Len Dowling and his assistant, Steve Fiedler, had the pleasurable task of organizing a multitude of talented players into a successful team.

Kevin Robinson, an excellent defenseman, received the Most Valuable Player Award. Sophomore Dave Mather, and Co-Captain Chip Lindgren, a senior, played defense together and were honored by being placed on the First Team All-Division. Chip also received the Principal's Sportsmanship Award for his comical attitude. Co-Captain Chris Thomson utilized his talent and had superior performances in his center halfback position. Richard Chatowski is credited with the most goals during this season, and made the Second Team All-Division.

Although the team is losing twelve seniors, the outlook for next season is positive because of many talented underclassmen and a successful junior varsity program.

The 1984 Boys' Cross Country team had a rewarding season under the direction of Coach Paul Tetreault. The team had a record of 4 wins and 2 losses, and tied for second place in the Southern Division. The team also finished seventeenth statewide.

An accomplished runner, Chris Cranston, had a winning season and lost only one race. For his superior efforts, he received the MVP Award. Another excellent runner, Peter Bartkiewicz, a freshman, placed sixth in the state. Co-Captain David Chapman received the Principal's Sportsmanship Award for his ability to maintain everyone's good spirits.

Although the team is losing Co-Captain Dave Chapman, Co-Captain Shaun McCullough and John Counnas, the outlook for next season is favorable. The top three runners, Chris Cranston, Mike Caley and Peter Bartkiewicz are returning along with four lettermen for another promising season.

The 1984 Football Team had a trying time this season even though they opted for an independent schedule instead of remaining in the Class A Division. They finished with a record of 0-8 but this did not reflect their improvement and their good attitude. Coach Rich Fenton, along with assistant coaches Jerry Favreau and Bill Bonatati, worked to strengthen the team.

Seniors Keith Kramer and Chuck Junod played well both offensively and defensively. Chuck received the Most Valuable Player Award for his understanding of the game. Keith and Chuck, along with Paul Doyle, another senior, were selected to the All-South County Team. Heath Stanford, a senior was an important player because he was always willing to play 100%. Sophomore Mike Gates was a key player as he started in every game. Mike received the Principal's Sportsmanship Award for his fine attitude in both practices and games.

The team is losing eleven senior players but has many talented younger players returning. The Junior Varsity team ended with a record of 1-3, and many underclassmen will be selected for the Varsity team next season because of the experience gained this past season.

A CHANGE OF STYLE

The 1984 Football Cheerleading Squad was led by Captains Melissa Connolly and Katie Lacouture. Cary Ferraro was the Co-Captain and assumed responsibility for the squad when either Melissa or Katie was not present. Under the supervision of Advisor Sue Kemble, the squad attended camp during the summer to improve their cheering style. Twenty-two cheerleaders, from various N.K.H.S. squads, performed together and were placed in the top three for the Award of Excellence.

Newcomer Colette Desmarais was a finalist for the All-American Cheerleader and became an intricate part of the squad. For the second year, our squad produced an All-American Cheerleader, Cary Ferraro, who was sent to Honolulu, Hawaii to cheer at the Aloha Bowl.

The squad also had its second annual cheerleading clinic with the help of the cheer coach of the New England Patriots which was attended by approximately 100 cheerleaders and their advisors from New England. The style of cheerleading has developed due to the training received at camp. The stunts and pyramids are incorporated into the cheers and the use of gymnastics is greater. The Football Cheerleading Squad has improved in style and as individuals, throughout the years and will continue to do so in the seasons to come.

HOOPSTERS BOUNCE BACK

The 1985 Girls' Basketball Team had a good season and finished with an 8 and 11 record. They placed third in their division which enabled them to make it into the playoffs. Head Coach A. Lenore Cranston and Assistant Coach Kathy Falvey were very pleased with the success of this young team. Although there were many young players, there were four veterans of last year's team.

For the second year, Co-Captain Julie Leonard was the Most Valuable Player and proved to be a key member of the team. For her superior skills at her guard position, Julie was placed on First Team All-Division for her second year. Another experienced player was Co-Captain Jen Hammond who was placed on the Third Team All-Division for her skill on the court at both her guard and forward positions. Two other valuable members of the team were Dionne Robinson, a sophomore, and Debbie Jarrett, a junior, who had excellent rebounding abilities. A newcomer on the Varsity team was Andrea Hogberg whose quickness on the court and skill at her point guard position added to the strength of the team. In addition to her skill, she had an excellent attitude and received the Principal's Sportsmanship Award.

The Junior Varsity Team had a superb season and ended with a record of 12 wins and 3 losses. Some promising members of the team are Tricia Tammaro, Heidi Dunbar and Leigh Evans. Since there were only two seniors on Varsity, the team will be ready for a winning season next year.

MATMEN IMPROVE

The 1985 Wrestling Team had an improved season this year ending with a record of 5 wins, 7 losses and 1 tie. Head coach Mike MacMahon was pleased with this season's success and attributed it to many talented players and the help of assistant coach Bob Hueston.

Captain Paul Doyle, a great asset to the team, was an aggressive wrestler in the 185 weight class. After years of experience in wrestling, Paul placed 5th in the state. Another outstanding wrestler was a junior, Steve Page. Because of the tremendous skill of Paul Doyle and Steve Page, they both received the Most Valuable Player Award for their efforts. Another fine wrestler was Mike Shope, a junior, who wrestled in the 140 weight class. As of press time, the coaches had not decided on the candidate for the Principal's Sportsmanship Award.

The Junior Varsity team also had an excellent season and ended with a 6-1 record. Because of the strength shown by experienced younger players who will be returning next year, the outlook for next season looks promising.

A LONG TIME COMING

The 1985 Boys' Basketball Team had an exceptional season, capturing the Class B State Championship Title. The long awaited success was no surprise to Head Coach Dick Swift and Assistant Coach Don Siegel as they were confident of the team's abilities and their desire to win. The regular season ended with a record of 14 wins and 4 losses placing them second in their division and eligible for the playoffs. The team was victorious over Shea High School in the quarterfinals and also beat Lincoln High School in the semifinals. They defeated the West Warwick Wizards at the Providence Civic Center and became the Class B State Champions.

The team had great depth and all the members were essential to the team's success. Captains, Mike Zito and Joe Lopes, were very effective at their forward positions as they often scored the bulk of the points. These two players were awarded the Most Valuable Player Award for their tremendous skill. Tim Corcoran, a senior, was also a key member because of his rebounding abilities. Art Mackie had a superb season and was honored by being selected the Most Valuable Player on the All-Tournament Team. Chris LeBlanc maintained an excellent attitude throughout the season and received the Principal's Sportsmanship Award for his contributions to the team.

The Junior Varsity Team ended their season with a 16-2 record which was the best record in the history of the high school. The team was led by Captains Greg May and Dennis Chelesky. Although the Varsity Team is losing 9 seniors, the outlook for next season is promising because of the strength shown by the younger players.

THE VOICES OF SPIRIT

The Varsity Cheerleading Squad for e Boys' Basketball Team was essential maintaining spirit throughout the sea-on. The squad was comprised of seven eniors who are veterans of many squads cluding last season's football squad. aptain Katie Lacouture was a emendous asset to the squad because of er fine leadership qualities and experi-ace in cheering. Along with Katie, Cap-in Laura Tuccillo did an excellent job of ading the squad. Co-Captain Cary Fer-ro, an All-American Cheerleader, was so beneficial to the squad because she as able to teach the others several heers which she learned at the Aloha owl in Hawaii. According to advisor ue Kemble, sophomores Jill D'Abrosca d Shani Stickney performed outstan-ngly along with the senior cheerleaders. his squad plans to participate in a U.R.I. heerleading Tournament in April.

The J.V. Cheerleading Squad also did a he job this season. The squad was led by aptains Linda Tuccillo and Josie Kane, ong with Co-Captain Laura Smith.

Under the direction of Kathy Whaley, e Wrestling Cheerleading Squad, had a od season and was led by two-year aptain Joelle Moyer. Joelle was the key ember of the squad and also served as a he role model. Nancy Zink and Chris rown were the only other seniors on the uad. Nancy Zink and Joelle Moyer tended the summer cheerleading camp U.R.I. along with members of the bas-tball cheerleading squad. Other wres-ng cheerleaders, returning next year, pe to go this summer and gain experi-ce which will guide them through next ar's season.

What a stud!

This department enables students to express their originality and creativity. The department includes a wide variety of course selections, such as: Drawing I, II, Ceramics I, II, III, Printing, Sculpture, Printmaking, Calligraphy and Poster Design, and Crafts. All art courses have a prerequisite of Beginning Art.

The Advanced Placement Art course, is a special program designed for students interest in doing college level work, while still in high school. In this class, students work on extensive assignments which will lead to the completion of a portfolio, to be submitted to the Advanced Placement Program for possible college credit. Assignment to Advanced Placement is decided on the basis of teacher recommendation and previous performance in art courses.

English, which is the largest department in the school's curriculum contains a wide variety of both required and elective courses. To be eligible for graduation, students are required to take 4 years of English.

Mr. Martin Hellewell heads this department, which offers phases 1-4, electives such as developmental reading, public speaking, yearbook/journalism and grammar review. Grade 12 students may study drama/novel, british survey, or humor/satire literature, while excellerated senior students can be exposed to college level work, in advanced placement english. In order to be eligible for the advanced placement english course, students must have tested into phase IV in 9th grade, successful performance in the phase IV level, and recommendation of the department.

Although it is a required course, many students find english to be fulfilling and rewarding.

Mr. John McGinn has taken over the position held by Mr. James Dyer this year and has proven to be an asset to the counseling staff and to the students.

HOME EC. — INDUSTRIAL ARTS

The Home Economics Department is basically divided into four areas of study : Human Relations, Foods, Home Furnishing, and Clothing. Human Relations deals with adolescence, self-awareness, peer relations, and family difficulties. The Foods section enables students to develop an understanding of nutrition and cooking skills. Home Furnishings introduces students to crafts such as macrame, embroidery, and a variety of beginning hand crafts. The Clothing and Textiles program allows students to become familiar with a variety of sewing skills which involve the fundamentals of learning to read and follow pattern directions.

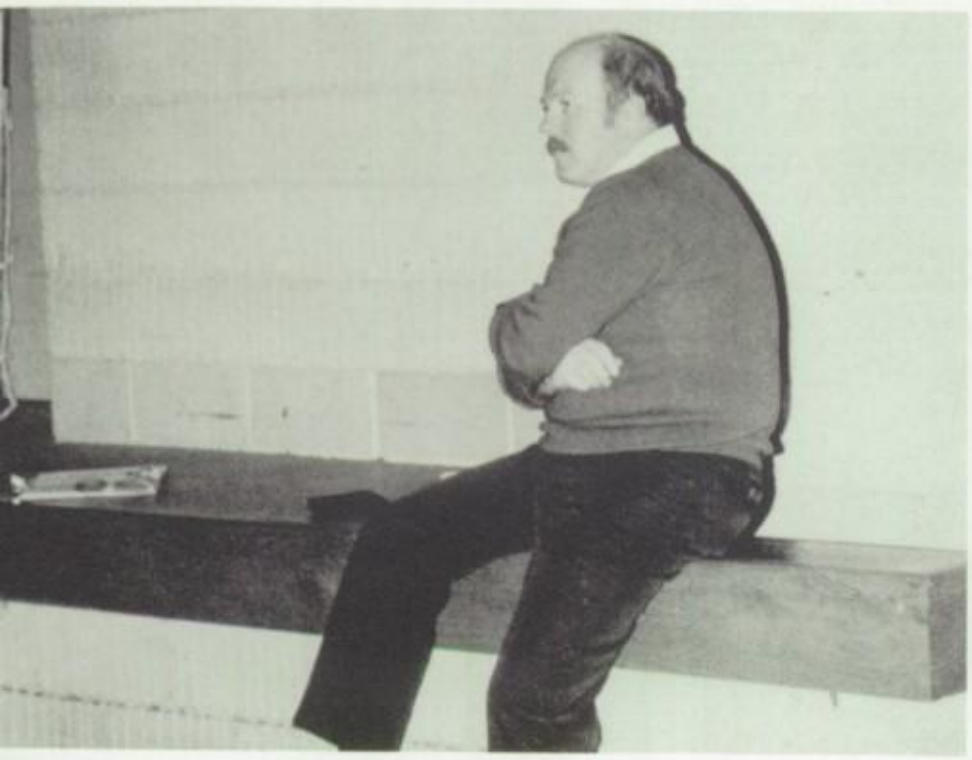
OUR MISSING PIECE



James McCormick

"Hard habit to break!"

"Hurry up I can't hold this smile forever!"

In order for a puzzle to be complete, all pieces must be cluded. North Kingstown's puzzle has not been complete for me years. To the dismay of the Yearbook staff, this puzzle ece has not been included in the Skipper's Log since the last ue moon. We have, however, changed all that. Our missing piece has finally been included. Dr. James McCormick's picture is here in the '85 Skippers' Log. We hope he will accept our apology as there is no excuse in omitting such a key element in the operation of the Athletic Department at North Kingstown High School.

UNTIL WE MEET AGAIN

"I'm really going to miss her!"

Ms. Mary-lou Hawkinson

A lull in the storm

There is one piece of the puzzle that we all miss this year. This puzzle-piece has gone to the state of Arizona. While here, she has served the school in many important ways. Since 1959 this puzzle-piece has time and time again filled in the gaps of the puzzle of many students. Although this piece will remain vacant for evermore, we do our best to fill it with the spirited memories of Ms. Mary-Lou Hawkinson (known to many as "the Hawk"). For those who were lucky enough to be taught by Ms. Hawkinson, and for those who knew her, the memories of her style and bubbling personality will last a lifetime. We take this time to thank her on behalf of all, and to wish her the best of luck and happiness as she becomes part of a new puzzle.

THE NEW ADDITION

Mr. Sullivan

The new addition of North Kingstown High School is the class of 1988. The Freshman class has proved its spirited presence at pep rallies. The class has chosen to devote this year to organizing the students as a whole and adjusting to the school's routine, rather than getting a head start on their fundraising. This high spirited group of individuals is being led by the newest addition to the faculty at N.K.H.S., Mr. Dennis Sullivan. The spirit they have shown thus far will undoubtedly increase throughout their remaining three years at North Kingstown High School.

SOPHOMORES ARE MOVING UP

The Sophomore Class, led by Mr. Annaldo and Mrs. Foley is unquestionably being recognized as an energetic and fast moving class. This year, the Class of 1987 created it's first homecoming float. The excellent float showed the great pride this class has for themselves and their school. In November they held their fundraiser which raised over 2000 dollars for the class. On March 16th they held a successful dance in the boys gym which also earned them money for their remaining two years at the high school. Overall, the Class of 1987 had a very productive and profitable year.

THE FINAL STEP

The Junior Class started off an exciting year by organizing the school's 1984 homecoming. The festivities were kicked off with a parade through Wickford, ending with the game at the high school stadium. Despite the rain showers throughout the weekend, it failed to put a damper on the spirited crowd. The following evening, the homecoming dance took place in the boy's gym. Their advisors, Mrs. McNulty and Mrs. Funke gave them a great deal of help and support. March was the month for their annual fundraiser, and in April they held another profitable dance. Their Junior prom, with the theme of "Fantasy", was held in the boys gym on May 25th. On June 7th, the class day ceremonies ended with the juniors presenting their class banner and accepting the worthy position of becoming seniors.

Class of '85 History

Individuals yet united, we, the Class of 1985, have grown together. We have faced many obstacles and challenges, but have learned to overcome them and, in the end have strengthened each other.

Our Freshman year began in the fall of 1981. We learned to cope with the open campus and the superiority of the upperclassmen. For the first time in many years at N.K.H.S., we gained two enthusiastic class advisors, Ms. Giroux and Ms. Jones, during our Freshman year. They guided us through four years of rousing spirit and raising money for our class.

We proved ourselves to be the most spirited class our Sophomore year by winning the majority of the spirit days.

Our years as upperclassmen took full swing within our Junior year. Still considered the most spirited class, we started getting ready for Homecoming. We proved to be very responsible and dependable by displaying a well organized and entertaining Homecoming weekend.

A major challenge faced by our class and the others in the school, occurred in May, 1984. The Budget Cut threatened the activities of the next year to come, but we took it in stride.

After long hours of preparation, the highlight of our Junior year approached on May 26, 1984, as we celebrated our Junior prom in the transformed, tropical paradise of the boys' gym. Thanks to the consideration of the Chamber of Commerce, it was possible for us to have a post prom party at Custy's.

During Class Day, June 6, 1984, we became Seniors. Our Senior year started with a successful magazine sale by raising $1200.00. Along with our Senior year came Homecoming on October 26, 1984. For the first time both a king, and queen were crowned. Tim Corcoran was crowned king, while Meredith Morin was crowned queen.

By January, mid-term exams and term papers were finally out of the way. Time flew by quickly and before we knew it we had attended the Senior Prom on May 18, 1985, at the Rose Cliff Mansion in Newport. Finally on June 7 we turned the school over to the Class of 1986 and on June 11 we received our diplomas and became alumni. After four years of high school we learned that "Life Is A Celebration."

SENIORS AT WORK . . .

As graduating Seniors, we finished one puzzle, but are beginning to find the pieces of another. Among these pieces were several influences. Jobs, extracurricular activities, and fads affected the ways in which we spent our Senior year.

Many students had part time jobs to pay for their future while others lived for the weekend. Although a lot of hard work was done in school, students found the time to do other things when classes were over.

Years from now we can look back at our yearbook and remember the popular fads of our class; from our favorite foods to our favorite thing to do on a Saturday night.
